

I Still Feel Her Part 3

Jonny Craig

This is my first tab, and basically used the bass tab to write this out.
Feel free to comment on any errors, or advice.

(Intro follows with the verse kind of. And the A chord,
can't remember the name of it, but it's like an A chord, only with two
fingers on the 3rd and 4th string, like making an A)

Em **G**
How far back,
 A
Can you remember?

Em **G** **A**
Did the ice stop your heart?
Em **G** **A**
Oh wait, that was me,
Em **G** **A**
Oh wait that was me.
Em **G** **A**
I froze to death.
My last words
choking your breath.

Em **C** **D**
Do the words still haunt you? Can you secure its claim?

Em **C** **D**
Bottled up like smoke
G **F#**
floating over flames.

(And from here it repeats itself. Enjoy!)

I have no soul,
no conscience.
Floating for one meaning.
Three words, I left you with
Three words, I left you with

Do the words still haunt you?
Can you secure its claim?
Bottled up like smoke
floating over flames. (x2)

I left you with one promise.

I hear your heart call my name.

Do the words still haunt you?

Can you secure its claim?

Bottled up like smoke

floating over flames (x2)
