

More Beautiful You

Jonny Diaz

Capo 3

[Verse 1]

Little girl fourteen flipping through a magazine
Says she wants to look that way
But her hair isn't straight her body isn't fake
And she's always felt overweight
Well little girl fourteen I wish that you could see
That beauty is within your heart
And you were made with such care your skin your body and your hair
Are perfect just the way they are

[Chorus]

(Chorus chords are a little weird, Iâ€™m not sure what the proper names for the chords are.

based on what Jonny showed in his videos, I think they are like this)

- C X30033
- B X20033
- D X54035
- E 022033
- F# 200233

There could never be a more beautiful you
Don't buy the lies disguises and hoops they make you jump through
You were made to fill a purpose that only you could do
So there could never be a more beautiful you
