[Verse]
   Dm
So turn around you re not too far
To back away be who you are
To change your path go another way
It s not too late you can be saved
If you feel depressed with past regrets
The shameful nights hope to forget
Can disappear they can all be washed away
By the one who s strong can right your wrongs
Can rid your fears dry all your tears
```

And change the way you look at this big world

He will take your dark distorted view

And with His light He will show you truth

And again you ll see through the eyes of a little girl
