Shut Up - Jonny Fritz (Corndawg)

**Am** **Dm**  
Shut up, dont start talking if you got out now  
**Am**  
Youd hit the ground, walking away  
**Em** **Am**  
Unless you listen to what Ive got to say

**Am**  
I m tired of hearing about your terrible life  
**Dm**  
Im living the exact same one  
**Am**  
But on the other side of your voice  
**Em** **Am**  
And I hate that I need to raise mine  
**Am** **Dm**  
So shut up! (Shut up), dont start talking if you got out now  
**Am**  
Youd hit the ground, walking away  
**Em** **Am**  
Unless you listen to what Ive got to say  
**Am**  
You can go through the door, and maybe get outside  
**Dm** **Am**  
But I got the child lock on, so good luck trying without  
**Em** **Am**  
Without my pre-approval  
**Am** **Dm**  
So shut up! (Shut up), dont start talking if you got out now  
**Am**  
Youd hit the ground, walking away
