C

```
Stadium Inn
Jonny Fritz
Capo 4th fret
[Verse]
Honeymoonin couple brought in out of the rain
Car broke down, the tire went flat up on the highway
Am
They re never gonna make it
Yes, they ll be here again
Nothing good comes out of the Stadium Inn
[Verse]
There s an old man mumbling to himself by the door
Something-something he can t take anymore
I can t quite make it out
And they won t let him in
Sometimes you learn the hard way at the Stadium Inn
[Chorus]
Chicken-legged daughter with her mother hen
Double dead-eye daddy with the chin caved in
Misspelled a sweet confession in the bathroom stall
```
