

Still Rainin'
Jonny Lang

(Fm G# Bb) intro 4X

(Fm G# Bb)

Clouds, one by one, they fill the sky
Just like these tears, they fill my eyes
Well I know by now that she ain t comin back
And I watch my world slowly fade into black

(Refrão)

(Fm G# Bb)

Look out my window, still rainin
Look out my window, still rainin

(Fm G# Bb)

They say that time heals everything
Well I know the pain, honey, that love can bring
It don t get no better with each passin day
Any hope I had slowly slippin away

(Refrão)

C#	Fm
I thought the moring would rescue me	
C#	C7 Bb
But the rain keeps fallin endlessly, endlessly

(Fm G# Bb)

Sometimes I wonder what ll become of me

Cause there ain t much left of what I used to be

Her love shone on me just like the morning light

Now here I am, alone again tonight
