

Circling The Sun

Jonny

D **F#m** **G** **D**
Will I stay in your heart, or will our days be spent apart.
G **Bm** **Em** **A**
Always wondering, never knowing, what could be?
D **F#m** **G** **Bm**
Every day, I wake to find you still occupy my mind.
Em **A** **G** **D** **G (hold)**
And I have to find my way back to you.

Chorus

Bm **D** **Dmaj7**
Every day brought you wonder; we had just begun.
Bm **D** **Dmaj7**
Without a care and nothing in our way.
Bm **D** **Dmaj7**
Around the coast and down the highway; circling the sun.
Em **A** **G**
Theres no one that I want more than you.

D **F#m** **G** **D**
Changing skies, turning tides, theres a heartache I cant hide.
G **Bm** **Em** **A**
Winters long, winters cold without you.
D **F#m** **G** **Bm**
The love we shared, uncompered, and in my mind Im always there.
Em **A** **G** **D** **G (hold)**
And I got to find my way back to you.

Chorus

Bm **D** **Dmaj7**
Every day brought you wonder; we had just begun.
Bm **D** **Dmaj7**
Without a care and nothing in our way.
Bm **D** **Dmaj7**
Around the coast and down the highway; circling the sun.
Em **A** **G**
Theres no one that I want more than you.
