Jono Manson, album UNDER THE STONE, song In the arms of only you

G C D G G C D G
Far across the ocean wide - So the story s often told

G C D G G D C G
There s a land of peace and quiet - Where time is still and love is bold

G C D G G C D G
If we tread that holy ground - Each instant remains new

G C D G G D C G
The closest yet that I have found - Is in the arms of only you

Em Em/G C G Em Em/G C D
Holding you close to me - Kissing me the way you do

Em Em/G C G G D C G G D C G
Yeah tonight I long to be - In the arms of only you - In the arms of only you

G C D G G C D G
Since I first beheld your face - Calmly regarding me

G C D G G D C G
You have never left that place - Deep inside the heart of me

G C D G G C D G
You are with me all day long - No matter what I do

G C D G G D C G
And I know where I belong - In the arms of only you

Em Em/G C G Em Em/G C D
Holding you close to me - Kissing me the way you do

Em Em/G C G G D C G G D C G

Like a play without a script - Like a song without a tune

Like a day without the sun - I am nothing without you

G C D G G C D G
So now as the sun goes down - And the work s no longer new

G C D G G D C G
My body longs to rest awhile - In the arms of only you

Em Em/G C G Em Em/G C D
Holding you close to me - Kissing me the way you do

Em Em/G C G G D C G
Yeah tonight I long to be - In the arms of only you

Yeah tonight I long to be - In the arms of only you

G D C G G D C C G - D C G
In the arms of only you - In the arms of o-on-n-ly you
