

Chorus:

C

You don't wanna say goodbye

G

But you never really seem like you wanna try

Am

But I only wanted you to stay

F

And then I let you just slip away

C

If you didn't listen to your heart inside

G

Then it really doesn't matter what was on your mind

Am

F

And if you need me then tell me why

C

Am C

G

F

Am

Girl, I never meant to say goodbye, oh, yeah, yeah

Am

C

I think about the past baby

C

G

Why we couldn't make it last, lady

G

I know you still have doubts

F

Am

But I'm gonna prove that we can work things out

Am

C

I wanna be sure that you

C

G

Know what you put me through

G

F

And reveal that you intend

F

To never let me down again

F

G

It's clear to me and I can't ignore

Am

F

That I have to give you something I couldn't before

Chorus:

C

You don't wanna say goodbye

G

But you never really seem like you wanna try

Am

But I only wanted you to stay

F

And then I let you just slip away

C

If you didn't listen to your heart inside

G

Then it really doesn't matter what was on your mind

Am

F

And if you need me then tell me why

C

Am

Girl, I never meant to say goodbye

Am

C

G

I didn't think that we would come to this, ooh, no

Am

C

G

Your eyes, your face, your smile is what I miss

Am

C

G

Why did you wait so long to take me back?

Am

C

G

It's all a simple misunderstanding

Chorus:

C

You don't wanna say goodbye

G

But you never really seem like you wanna try

Am

But I only wanted you to stay

F

And then I let you just slip away

C

If you didn't listen to your heart inside

G

Then it really doesn't matter what was on your mind

Am

F

And if you need me then tell me why

C

G

F

Girl, I never meant to say goodbye
