Cadd9: x32033

G **Bm** **Cadd9** **G**
Why do we sit down when all should be standing?
G **Bm** **Cadd9** **G**
And why do we back down at the critical moment?
Em **D** **Cadd9** **G**
Like running away from the waves of the ocean
Em **D** **Cadd9** **G**
We head for the hills with the high tide approaching
Am **Bm** **Cadd9** **D**
As sand slips away from the castle.

G **Bm** **Cadd9** **G**
When it s time to stand upright, then why do we falter?
G **Bm** **Cadd9** **G**
Like placing our freedom on the sacrificial altar
Em **D** **Cadd9** **G**
We hold tight to our fears and defend our oppressors
Em **D** **Cadd9** **G**
As we fight for their lies and become the transgressors
Am **Bm** **Cadd9** **D**
As pacifists transform to violent aggressors.

G **D** **Em** **Cadd9**
But I m only a stranger here, and I m a long, long way from my home,
G **D**
And they say I can t change all the things I find strange,
Em **Cadd9**
For what can one man do alone?
Em **D** **Cadd9**
I say, what can one man do alone?

G **Bm** **Cadd9** **G**
When is the right time to stand up for freedom?
G **Bm** **Cadd9** **G**
Could it be when you start to fear creating children
Em **D** **Cadd9** **G**
Who ll inherit the pain and the debt of this nation
Em **D** **Cadd9** **G**
And be slaves to the banks that cause hyperinflation
Am **Bm** **Cadd9** **D**
Who are masters of commerce, lies, and bad legislation? Woah!

G **Bm** **Cadd9** **G**
If you looked in the eyes of a thousand young children
G **Bm** **Cadd9** **G**
Through fences of razors, their innocence stolen
Em **D** **Cadd9** **G**
As the red flag of tyranny flies in the open
Am **Bm** **Cadd9** **D**
Is that when you ll finally notice? Woah, wo-o-oah!

G **D** **Em** **Cadd9**
But I m only a stranger here, I m a long, long way from my home
G **D**
And they say I can t change all the things I find strange,
Em **Cadd9**
For what can one man do alone?
Em **D** **Cadd9**
Yes, what can one man do alone?

Am **Bm** **Cadd9** **G** **D**
I m only a stranger looking to find better nature in my fellow man
Bm **Cadd9** **Em** **D**
Cadd9
But they keep telling me it s a sin to be free, and that s more than I m willing
to stand

G **Bm** **Cadd9** **G**
Where will you be when the order is given
G **Bm** **Cadd9** **G**
To censor your mind as free speech is forbidden
Em **D** **Cadd9** **G**
As martyrs for peace from the world will be driven
Em **D** **Cadd9** **G**
Away by the sound of a bellowing thunder
Am **Bm** **Cadd9** **D**
And choke on the blood of a dream going under

G **Bm** **Cadd9** **G**
As arrogant men tear up our constitution
G **Bm** **Cadd9** **G**
And from ev ry direction we cry revolution
Em **D** **Cadd9** **G**
Standing together and without permission
Em **D** **Cadd9** **G**
Soldiers for Truth in the War of Attrition
Am **Bm** **Cadd9** **D**
The love of our country as our ammunition? Woah, wo-o-oah!

G **D** **Em** **Cadd9**
But I m only a stranger here, I m a long, long way from my home
G **D**
And I m going to change all the things I find strange
Em **Cadd9**
For I am not one man alone
