Jordin Sparks

C

So what if I came clean

G

and told you all that you mean to me

A

so what if I meant every word I said

F

baby don t let it go to your head

C

So what if I write your name

G

cause you re always on my brain

A

in a heart I paint in crimson red,

F

baby dont let it go to your head

A

F

G

Dont be getting any big ideas, let me make it clear

C

Just cause I cant go on

G

just cause I die when ur gone

A

and just cause I think of you in bed,

C

dont let it go to your head,

G

if I dim your eyes, one too, too many times

A

analyse every word you said,

D

dont let it go to your head, oh oh,

C

don t let it go to your head, oh oh

So what if I want to kiss, from your toes up to your lips, it don t mean that
you have

yet,

youre gonna be good out of bed, I m the one who s in control here, let me make
it clear

Just cause I cant go on, just cause I die when ur gone, just cause I think of
you in bed,

dont let it go to your head, if I dim your eyes, one too, too many times,

analyse,
every word you said, dont let it go to your head, dont let it go to your head,
oh oh

Now you think you got me
Well im gonna get you
Now you think you can touch me
Well im gonna let you

Just cause I cant go on, just cause I die when ur gone, just cause I think of
you in
dont let it go to ur head
Just cause I cant go on
Just cause I die when ur gone
Just cause I think of you in bed, dont let it go to your head, if I dim your
eyes, one too,
too many times, analyse every word you said, dont let it go to your head, dont
let it go
your head,
dont let it go your head, dont let it go to your head, dont let it go to your
head...
