

No Air

Jordin Sparks

Tell me how I m supposed to breathe with no air

(F# E G#m B)

F#

If I should die before I wake

E

It s cause you took my breath away

G#m

B

Losing you is like living in a world with no air
Oh

F#

I m here alone, didn t wanna leave

E

My heart won t move, it s incomplete

G#m

B

If there was a way that I can make you understand

F#

E

But how do you expect me

G#m

to live alone with just me

B

Cause my world revolves around you

F#

It s so hard for me to breathe

E

Tell me how I m supposed to breathe with no air

G#m

Can t live, can t breathe with no air

B

It s how I feel whenever you ain t there

F#

It s no air, no air

E

Got me out here in the water so deep

G#m

Tell me how you gonna be without me

B

If you ain t here, I just can t breathe

F#

It s no air, no air

(F# E G#m B)

No air, air

No air, air
No air, air
No air, air

F#

I walked, I ran, I jumped, I flew

E

Right off the ground to float to you

G#m

B

There s no gravity to hold me down for real

F#

But somehow I m still alive inside

E

You took my breath, but I survived

G#m

B

I don t know how, but I don t even care

F#

E

But how do you expect me

G#m

to live alone with just me

B

Cause my world revolves around you

F#

It s so hard for me to breathe
