[Verse 1]

Ebm C# Bbm G#

Hurry up and wait

Ebm C# Bbm G#

So close but so far away

Ebm C#

Everything that

Bbm G#

you always dreamed of

F#

Close enough for you to taste

G#

But you just can t touch

[Refrain] Sing faster here!!!

Ebm

You wanna show the world

C#

but no one knows yours name yet

Bbm

Wondering when where

G#

and how you re going to make it

Ebm C#

You know you can if

you get the chance

Bbm

In your face and the

G#

door keeps slamming

Ebm

Now you re feeling more

C#

and more frustrated

Bbm

And you getting all

G#

kinda impatient

F# **G#**

Waiting we live

and we learn to take

[Chorus]

Ebm **C#**

one step at a time

Bbm **G#**

There s no need to rush

Ebm **C#**

It s like learning to fly

Bbm **G#**

or falling in love

Ebm **C#**

It s gonna happen when

Bbm **G#**

it s supposed to happen

F# **G#**

And we find the reasons why

One step at a time

[Interlude]

Ebm C# Bbm G#

You believe, and you doubt

Ebm **C#**

You re confused and got

it all figured out

Ebm **C#** **Bbm**

Everything that you

G#

always wished for

F#

Could be yours should be

G#

yours would be yours

If they only knew

[Refrain] Sing faster here!!!
