

**Was I The Only One**

**Jordin Sparks**

Hey Guys! This is pretty simple so beginners can play. I tried not to use bar chords so it will be easier but the bad thing is that it will sound off when you

play it with the original track. =/

BUT ENJOY! =)

**G** **D** **Am (Or C )**

As I walk down the hall I see the place on the wall  
Where the picture of us used to be  
I fight back these tears cause I still feel you here  
How could you walk out so easily?

And I don t understand how I can feel this pain  
And still be alive  
And all these broken dreams and all these memories  
Are killing me inside

(Same)  
Was I the only one who fell in love?  
There never really was the two of us  
Maybe my all just wasn t good enough  
Was I the only one, only one?

**C** **G**  
Tell me what I m supposed to do with all this love  
**D** **Bm**  
Baby, it was supposed to be the two of us  
**Am** **G** **Bm**

**Bm** **D**

(Same)

I was the only one who fell in love  
There never really was the two of us  
Maybe my all just wasn t good enough  
I was the only one, the only one

I was the only one who fell in love  
There never really was the two of us  
Maybe my all just wasn t good enough  
Was I the only one, the only one in love, oh

When you told me that I was a star in the sky

Baby, I believed every word
