CAPO 6

**C G Am F**

**G D Em Cadd9**

**Cadd9**

Give it up baby

**D**

We canâ€™t win this game we play

**Cadd9**

Weâ€™re up and down and sideways

**D**

It donâ€™t have to be this way

**Cadd9**

We take a good thing and send it out the window

**D**

Iâ€™ll never know why

**Cadd9**

We donâ€™t do everything we can

**D**

To keep it in our hands

**G**

We chuck our love into the wind

**D**

Just send it off and watch it spin

**Em**

We aim way past the edge of town

**Cadd9**

But our hearts wonâ€™t let it hit the ground

**G**

We both know itâ€™s out of our hands

**D**

We toss it time and time again

**Em**

**D**

**Cadd9**

But our love comes right back anyway

**G D**

Like a boomerang

**Em**

**Cadd9**

A boomerang

**Cadd9**

Lucky us baby

**D**

We get more than a single chance

**Cadd9**

And Iâ€™m thinking maybe

**D**

Weâ€™re one small part of Godâ€™s big plan

**Cadd9**

We canâ€™t out run it

**D**

We should know by now, itâ€™s all around

**Cadd9**

And i know weâ€™re scared to feel this way

**D**

Thatâ€™s why we always

**G**

Chuck our love into the wind

**D**

Just send it off and watch it spin

**Em**

We aim way past the edge of town

**Cadd9**

But our hearts wonâ€™t let it hit the ground

**G**

We both know itâ€™s out of our hands

**D**

We toss it time and time again

**Em**

**D**

**Cadd9**

But our love comes right back anyway

**G D**

Like a boomerang

**Em Cadd9**

A boomerang

**G D Em Cadd9**

Oh oh oh woah mmmm

**G**

Lucky us, itâ€™s out of our hands

**D**

We toss it time and time again

**Em**

**D**

**Cadd9**

But our love comes right back anyway

**Em**

**D**

**Cadd9**

Oh our love comes right back anyway

**G D**

Like a boomerang
