

Carry Me Home (feat. Maverick Sabre)
Jorja Smith

D A
Midnight strikes, where is my prince?
Bm F#m
Lost my comfort, more time to think
G D
Broken and bruised, tell me what I am
G A D
Feel so unused, help me find your hand

Em A
I guess the sun still waits here
Em A
Got to hold it up for him

D
Carry me home
Em
Bear my weight on your shoulders
Bm
Carry me home

A
Nothing else matters
G
Carry me home

A
Bear my weight on your shoulders
Em F#
Carry me home and don t let go

D A
Said... Said I don t ever say things,so you can heal
Bm F#m
Yet I waited all for you seas to fill
G D
Now this bottle seems to hard to place down and leave to help
G A
And now I feel like I ve become your pain, you darlin won t be saved
Em
With me

Em A
I guess the sun still waits here... here
Em A
Got to hold it up for him

D
Carry me home

Em

Bear my weight on your shoulders

Em

Carry me home

A

Nothing else matters

G

Carry me home

A

Bear my weight on your shoulders

Em

Carry me home

F#

And don't let go

Em

A

I guess I'm still here waiting

Em

A

Darling I'm sorry I tried... ?I gotta hold it up for him
