

Something In The Way

Jorja Smith

Gm **A**
When I left I thought I would be stronger
Dm
But in fact, it took away my energy
Gm **A**
Hard to tell you that I could not really see
Dm
Beyond the gates of this purgatory
Gm **A**
I am so tainted now, I cannot wash you off
Dm
The memories still don't seem to fade
Gm **A**
When I left, did you even wash your tears?
Bb **A**
Cause mine have been dryin' for days

Gm **A**
Somethin' in the way
Dm
Why am I cryin' for you, babe?
Gm **A**
Can't stand the rain
Dm
Time to move on anyway

Gm **A**
Don't ask me why
Dm
It's done
Gm **A**
So long, goodbye
Dm
I'm gone

Gm
Cause only sun in the summer lasts
F
No holdin' on and no lookin' back
Gm
Even the sun doesn't seem to last
A
It don't hold on, it's not comin' back

Gm **A**
If I kept a hold a little longer
Dm

I would never think I'd ever get away

Gm **A**

Don't want to say I tried to keep ya

Dm

Say love is blind, I couldn't see you change, no

Gm **A**

Don't wanna find myself back in that place

Dm

I have wasted all my tears on fools

Gm **A**

There was no help for me, no savin' grace

Dm

I had been tryin' for days

Gm **A**

There was somethin' in the way

Dm

Why am I cryin' for you, babe?

Gm **A**

No I can't stand the rain

Dm

Time to move on anyway

Gm **A**

Don't ask me why

Dm

It's done

Gm **A**

So long, goodbye

Dm

I'm gone

Gm

Cause only sun in the summer lasts

F

No holdin' on and no lookin' back

Gm

Even the sun doesn't seem to last

A

It don't hold on, it's not comin' back

Gm **A**

Well there was somethin' in the way

Dm

Why am I cryin' for you, babe?

Gm **A**

I can't stand the rain

Dm

Time to move on anyway

Gm

Cause only sun in the summer lasts

F

No holdin on and no lookin back

Gm

Even the sun doesn t seem to last

A

It don t hold on, it s not comin back

Even the sun in the summer doesn t seem to last
