this is my version of pegao , which contains only the intro part and some of the 1st part. it s all mixed up. sorry {:-( .

i tried to show the timing by spacing the tabs according to thier duration ( and keep it readable, as well )

hence, -4--1- is three times longer then -4-1- .

please(!) help me find the real-thing .

part I: slowly..

```

      Am      E7      Am      Dm      A7      Dm
E-0-----5-----5-----5-5--|
B-----1-3-----3-1--1-1-----6--8-----8--6--|
G-----2-----1-----2-----7-----6-----7--|
D--2-----2-----2-----0-----5-----0-----|
A-0-----2-----0-----7-----|
E-----|

```

...slower...

```

      Am      E7      Am7      E      E7+      E7
E-0-----0-----0-----|
B-----1-3-----3-1--1-1-----0-----0-0-----0-----|
G-----2-----1-----0-----1-----2-----2-----|
D--2-----2-----2-----2-----0-----0-----|
A-0-----2-----0-----2-----2-----2-----|
E-----|

```

three taps on  
something hard,  
as a bridge...

note the change ^
