Verse:

**A** **D** **E**  
my head in a jam, cant take you off my mind  
**A** **C#m** **D** **E**  
from the time we met I ve been beset by thoughts of you

Refrain:

**D**  
And the more that i ignore this feeling  
**A**  
the more i find my self believein  
**D** **E**  
that i just have to see you again

Chorus:

**A** **D**  
I cant let you pass me by  
**A** **A**  
I just cant let you go, but i know  
**D** **E**  
that im much too shy to let you know  
**A**  
afraid that i might say the wrong  
**D**  
words and displease you  
**A** (pause)  
afraid for love to fade  
**D-E**  
before it can come true

Verse 2: (same chords in verse)

like a child again  
im out and lost for words  
how can one define a crush combine with longing  
longing to posses oh so dearly  
and im obsess with you completely  
ill go mad if i cant have you

(repeat chorus)
