Jose Mari Chan

LET S STOP AND TALK A WHILE By Gary V. and Kyla

Chords and yrics By Rey M. Martinez & Reignson dela Cruz

E **F#m**
Fancy meeting you alone in the crowd
E **D**
Couldn t help but notice your smile
A **E**
While everybody else around us is goin about
F#m **E**
Can we just stop and talk awhile

E **F#m**
I ve been often told our world s growing old
E **D**
And that friends are harder to find
A
Do tell me more about yourself
E **F#m** **E**
We could share a thought or two, now who would mind

G **D**
Maybe then we could go for a ride
F **C** **D**
Drive down to the countryside
G **D**
Get away from the gray
F **C** **B**
And frenzied hurly-burly of the city life

E **F#m**
Early yet to say what lies ahead
E **D**
It s the first day of the rest of our lives
A
Can we just stop and talk awhile
E **F#m**
Get to know each other, who are we to know
A
Love could be waiting at the end,
E
Round that bend and so
F#m **E**
Let s stop and talk a while

G **D**
Maybe then we could go for a ride
F **C** **D**
Drive down to the countryside
G **D**
Get away from the gray
F **C** **B**
And frenzied hurly-burly of the city life

E **F#m**
Early yet to say what lies ahead
E **D**
It s the first day of the rest of our lives

A
Can we just stop and talk awhile
E **F#m**
Get to know each other, who are we to know

A
Love could be waiting at the end,

E
Round that bend and so
F#m **E**
Let s stop and talk a while

F#m **E**
Let s stop and talk a while

F#m **E**
Let s stop and talk a while

F#m **E**
Let s stop and talk a while
