

My Girl My Woman My Friend

Jose Mari Chan

Intro: **AM7-G#m-F#m-E-**; (2x)

When my work is through at the end of the day
There s nothing else that I d rather do
Than to be with you at the end of the day
To be right by your side makes me feel brand new

Cause you re my girl, my woman, my friend
And that s how it s gonna be til the end
Loving you is what I lived for
And I can t ask for anything more
You re my woman, my girl and my friend
Rolled into one

You re my man and I m at the prime of my life
To you I give myself, all my heart
All of what I am at the prime of my life
I ll never let a thing come to break us apart

Cause I m your girl, your woman, your friend
And that s how it s gonna be til the end
Loving you is what I lived for
And I can t ask for anything more
Than to be your woman, your girl and your friend
