REFRAIN By Jose Mari Chan (Posted by C. Aseberos)

Capo 2nd Fret

[Intro]
Bbm
N.C.

[Verse]
              Ebm
 I look out and I see the rain
G#   **C#**
 As it falls on my windowpane
F#   **Ebm**
 And the music that s in my heart
C   **F**
 Is a sad refrain

Bbm   **Ebm**
  Endless traffic of sounds and sights
G#   **C#**
 Midst the glitter of neon lights
F#   **Ebm**
 Still the music that s in my heart
C   **F**
 Is the same sad refrain

[Refrain]
Bb   **Gm**   **Cm**
Memories of you follow everywhere I go
F   **Bb**
 Down the high and byways of my days
G   **Cm**
 Music of your laughter fills my every dream
 D7   **Gm**   **Cm F Bb**
Like a love song from long ago
Bb   **Gm**   **Cm**
 Neverending streams of faces come and go
F   **Bb**
 Million different people all around
Fm   **Bb**   **Eb**
 No use searching for I ll never find you there
   Cm   **F**   **Bb**   **Cm7 F7** (intro)
For you are far beyond compare

[Verse]

```
                Ebm
Take a jet to a hideaway
G#                    C#
 From the humdrum of every day
F#                   Ebm
 Yet the music that s in my heart
C           F
 Is a sad refrain

   Eb                      Ebm
Fluctuations in the market scene
 G#                  C#
Fill my Dow-Jones with every beam
 F#                  Ebm
And the music that s in my heart
 C                  F
Is the same sad refrain

[Refrain]
Bb                      Gm          Cm
Memories of you follow everywhere I go
F                             Bb
 Down the high and byways of my days
G                       Cm
 Music of your laughter fills my every dream
 D7              Gm          Cm F Bb
Like a love song from long ago
Bb              Gm           Cm
 Neverending streams of faces come and go
F                             Bb
 Million different people all around
Fm              Bb                   Eb
 No use searching for I ll never find you there
    Cm        F          Bb    Gm Cm
For you are far beyond compare

   F  -  Bb
La la la...
Fm
 No use searching for I ll never
Bb                   Eb
 No use searching for I ll never find you there
 Cm          F          Bb    F#    Bb
For you are far beyond compare, hmm
```
