

I Wonder Where You Picked Up Your Pain
Josef Wolff

Am Dm E Am x2

Am Dm E Am
I wonder where you picked up your pain
Am Dm E Am
Was it in the sun or after the rain,
Am Dm E Am
Was it in the day time or some starless sky
Am Dm E Am
And who taught you to smile when you wanted to die?

Am Dm E Am
I wonder where you got your tragic laughter
Am Dm E Am
Was it before your loss or soon thereafter?
Am Dm E Am
Was the sun rising or was it just falling
Am Dm E Am
And who taught you to hide it when love was calling?

Am Dm E Am
I wonder who gave you that broken heart
Am Dm E Am
Did it come in pieces or did it fall apart?
Am Dm E Am
Was it beating for love or skipping forlorn
Am Dm E Am
And who taught you to hold it when it was just torn?

Am Dm E Am
I wonder what it cost for your regret
Am Dm E Am
Does someone owe you or are you in their debt?
Am Dm E Am
Does love still hurt like it hurt back then
Am Dm E Am
And who taught you to love all over again?

Am Dm E Am
Love knows you re hurting, there s comfort in sight
Am Dm E Am
Love heals in the day time and saves in the night,
Dm Am E Am
And our tears are drying but the Angels cry still
Am Dm E Am
With so much love to give, so much pain to kill.

Dm Am E Am
And our tears are drying but the Angels cry still
Am Dm E Am
With so much love to give, so much pain to kill.
