Gypsy Faded

Verse 1

C **G**
I m ready and I m lettin go now
Am **Fmaj7**
That is what I am doing
C **G**
That is what this turmoil has been about
Am **Fmaj7**
That and the rumours of who you ve been screwing
C **G**
I m not burying my head in the sand
Am **Fmaj7**
I say this with peace, love and understanding
C **G**
I m glad you re in some kind of peaceful place now
Am **Fmaj7**
But darling you were definitely the last one of us standing

Chorus

C **G**
When you gipsy faded on us
Am **Fmaj7**
I needed to say goodbye
C **G** **Am** **Fmaj7**
But you gipsy faded on us

Verse 2

C **G**
I guess there s always a chance of us coming back together
Am **Fmaj7**
But that seems unlikely in this kind of weather
C **G**
I just never saw it coming, so forgive me the shock
Am **Fmaj7**
Of becoming a stranger walking down my own block
C **G**
I m getting over it tho , you are faded from my view
Am **Fmaj7**
And soon, I hope, you will be gone as I ve been gone for you
C **G**
I do, however, wanna say that I wish you the best
Am **Fmaj7**
Past the anger of betrayal and the need to second guess

Chorus

C **G**
When you gipsy faded on us
Am **Fmaj7**
I needed to say goodbye
C **G** **Am** **Fmaj7** **Bm** **Bm**
But you gipsy faded on us

Bridge:

Em **A** **Bm** **Bm**
I don t feel you anymore
Em **A** **Bm** **Bm**
We were holding phantom hands
Em **A** **Bm** **Bm**
I don t feel you anymore
Em **A** **A**
We were holding phantom hands

Verse

C **G**
I donâ€™t want to stir this all back up
Am **Fmaj7**
But leaving it in vague has proved too painful for me
C **G**
Itâ€™s easier to to deal with things like this when they are clear
Am **Fmaj7**
Where as once I was blind I can finally see
C **G**
And like that old saying goes when you let your bird fly
Am **Fmaj7**
If she comes back to you sheâ€™s really yours and free
C **G**
Well this time you didnâ€™t come back so I guess you werenâ€™t mine
Am **Fmaj7**
I still love you of course, but I let go of the need

Chorus

C **G**
When you gipsy faded on us
Am **Fmaj7**
I needed to say goodbye
C **G** **Am** **Fmaj7**
But you gipsy faded on us
