So yeah, this is my first tab/chord, don't be too hard on me but me and my friend figured it out and it's pretty easy....and I don't know the lyrics, so if there wrong, just say so. Comments welcome

(/ means hammer on)

/A /A /D /D

****Verse 1****

/A /A /D /D
I've been meaning to get back
/D /D

Even friends sometimes attack

When they notice no one else is around

E E
Such a lovely cost
G D
I only want to dance with you

And if you feel you're lost
G D /D
Remember I'll be finding you

****Verse 2****

/A /A
And the speakers drink champagne?
/D /D
And the judges are so drunk with glee
/A /A
Lovers dancing in their glow?
/D /D
as the women face unto their need?

Chorus

Play the verse, no words

Chorus

and thats it....pretty easy, just listen to the
song to hear the right words, cause mine are
kinda wrong at some parts... and remember
during the verse the chords are kinda
hammered on....so have fun and Rock On!
