

Nothing I Can Do
Joseph & Maia

[Intro] C (x2)

[VERSE 1]

C G
Oh I am what I am, and a man is what he drinks
Am F
Though I m always trying to be the kind of man
C G
Who s full of all the things that you wish you saw in me
Am F
Like that blonde headed boy always busy dreaming
F G
But we re not kids anymore, playing in the rain
Am G F
Something was bound to change

[CHORUS]

C G
Is there nothing I can do
Am F
to let me hold you in my arms anymore
C G
Ain t there something I can say
F G C
That ll make me change my ways

[VERSE 2]

C G
Now change is in the mind, a sort of solitary space
Am F
Where it s just me, myself and I in a heated debate
C G
Discussing pros and cons and we re sorting rights from wrongs
Am F
You know, this is my decision to be made
F G
Oh, we re not kids anymore, hiding from the rain
Am G F
I guess that it s time we part ways

[CHORUS]

C G
Is there nothing I can do
Am F
to let me hold you in my arms anymore
C G
Ain t there something I can say

F G C
That ll make me change my ways

C G
Is there nothing I can do
Am F
to let me hold you in my arms anymore
C G
Ain t there something I can say
F G C
That ll make me change my ways

[BRIDGE]

C
The only promise I can make
G
Is that I won t make a promise I could break
Am F
I want so badly to be yours
C
Well all you need to do for me
G
Is only make a promise you can keep
Am F
I want so badly to be yours

C
Ba ba da da da ba ba ba
G
Ba ba da da da ba ba ba
Am F
Ba ba da da da ba ba ba

[CHORUS]

C G
Is there nothing I can do
Am F
to let me hold you in my arms anymore
C G
Ain t there something I can say
F G C
That ll make me change my ways
F G C
That ll make me change my ways
F G C
That ll make me change my ways
