

We Collide

Joseph Marro The Hum Drum

Verse 1

She said you don t drink enough to feel like you do

Everything I said never wanted to become
as what is happening to me.

Making faces on the plate, I ve been staying up to late

Take my hand and you ll never have to worry ever again
I would never be like that.
If you re scared just say you are, you don t have to go.
I would never be like that

All the places that we ve been, when we go with your friends
you never are the same.
Either you do or you don t, you will or you won t
but you gotta let me know.

I would never be like that.
