

Electric Skies
Josh Abbott Band

This is my first one, but it sounds right and he plays it live like this
soooooo..... Have fun!

Capo 3

C
Electric skies fill up the night
F **C**
They always light up the ground
C
Raindrops dance across my face
F **C**
They never bring me down

Am **C**
Cuz ive been doing some thinking
Am **C**
Know this much is true
Am **F** **C**
I d Love to watch the rain fall down with you

C
Thunder rolls across the air
F **C**
It puts me right to sleep
C
I hope that it gets cold this fall
F **C**
And puts snow on the street

Am **C**
Cuz I ve been doing some thinking
Am **C**
Know this much is true
Am **F** **C**
I d Love to watch the snow fall down with you

Am **F**
Don t you dare go outside tonight
C
Look up and not see me
Am **F**
Cuz every time I go out
G
You re all I see

C

A million stars look down tonight

F **C**

There all shine down on me

C

I think if I just saw one fly by

F **C**

I d know what my wish would be

Am **C**

Cuz I ve been doing some thinking

Am **C**

Know this much is true

Am **F** **C**

I d love to watch the stars fall down tonight with you

Am **F** **C**

I d love to watch the rain fall down with you
