Josh Abbott Band

good night for dancin
josh abbot

Verse 1

(D) (G)
Thereâ€™s a place I like to go
(D) (G)
where the fast songs meet the slow.
(D) (G)
And people come from miles around
(D) (G)
just to hear an old guitar sound
(D) (G)
Call your friends and Iâ€™ll call mine.
(D) (G)
Weâ€™ll have ourselves a country time.
(D) (G)
Get there early and have a few drinks,
(D) (G)
loosen up step out on the dance floor

now what do you think?

Chorus

(G) (C) (D)
Yeah, itâ€™s a good night for dancing.
(G) (C) (D)
Itâ€™s a good night for you
(repeat)

Verse 2

(D) (G)
A nice two-step might start out the night.
(D) (G)
Pretty soon weâ€™re half-stepping and the rhythmâ€™s right.
(D) (G)
A line dance and the cotton eye joe,
(D) (G)
I spin you around and around and here we go.

Verse 3

(D) (G)
Well itâ€™s last call and the lights begin to come on
(D) (G)
and they announce that itâ€™s the very last song.
(D) (G)

I grab your hand and lead you on the floor,

(D) (G)

Hold you in my arms till we cant dance anymore
