**E C#m A B X 1**

**E** **C#m**  
Well its late tonight and I see the look in your eyes  
**A** **B**  
They light you up like a burning fire full of desire  
**E** **C#m**  
And I touch your face; and move with grace  
**A** **B**  
and our lips collide in a burning ride with a warm embrace

**E** **C#m**  
Cuz I want to taste your skin; I want to be let in;  
**A** **B**  
I want to hold you and feel like you never been  
**E** **C#m**  
I want to touch you there; I want to kiss you here  
**A** **B** **E**  
and maybe by the sunrise we ll both come to our senses

**E C#m A B**

**E** **C#m**  
Well I close my eyes but I open my heart  
**A** **B**  
as the heat of the moment slowly tear our cloths apart  
**E** **C#m**  
and we get moved and I slowly surrender to  
**A** **B**  
the beauty and seduction that embodies you
