**Em C2 G D/F# (x2)**

Verse 1:

**Em C2**  
I m moving you in the right direction  
**G D/F#**  
It s more than just a case of emotional affection  
**Em C2 G D2**  
Isn t it obvious, you mean more to me than life  
**Em C2**  
I gave it all because you re so worth saving  
**G D/F#**  
So why do you assume that you have out run favour?  
**Em C2 G D**  
All that I really want is for you to want me

Pre-chorus:

**Am7 C G D/F#**  
Oh no, you ve no idea, the choice you make  
**Am7 C G D2**  
Well dear, the chance you take anticipate

Chorus:

**G D C2**  
You ll fall, I tell you that s ok  
**Em D/F#**  
If you re in my arms  
**G D C2**  
You can, remain in my heart  
**Em D/F# Em**  
Right where you are

Verse 2:

I made my plan for you before you even knew me  
Before you even thought that you could see right through me  
Everything that was wrong in your life will change  
Oh it will change, its like.
