

Farther Along
Josh Garrels

Capo 2nd Fret.

[Intro]

G Cadd9 Em7 D

[Chorus]

G Cadd9 Em7 D
Farther along well know all about it
G Cadd9 Em7 D
Farther along well understand why
G Cadd9 Em7 D
Cheer up my brothers, live in the sunshine
G Cadd9 Em7 D
Well understand this, all by and by

[Verse 1]

G
Tempted and tried, I wondered why
Cadd9
The good man died, the bad man thrives
Em7 D
And Jesus cries because he loves em both

Were all cast-aways in need of ropes
G Cadd9
Hangin on by the last threads of our hope
Em7
In a house of mirrors full of smoke
D
Confusing illusions Ive seen

G
Where did I go wrong, I sang along
Cadd9
To every chorus of the song
Em7
That the devil wrote like a piper at the gates
D G
Leading mice and men down to their fates
Cadd9
But some will courageously escape

Em7

The seductive voice with a heart of faith

D

While walkin that line back home

G

So much more to life than weve been told

Cadd9

Its full of beauty that will unfold

Em7

D

And shine like you struck gold my wayward son

G

That deadweight burden weighs a ton

Cadd9

Go down into the river and let it run

Em7

And wash away all the things youve done

D

Forgiveness alright

[Chorus]

G **Cadd9** **Em7** **D**

Farther along well know all about it

G **Cadd9** **Em7** **D**

Farther along well understand why

G **Cadd9** **Em7** **D**

Cheer up my brothers, live in the sunshine

G **Cadd9** **Em7** **D**

Well understand this, all by and by

[Instrumental]

G **Cadd9** **Em7** **D**

[Verse 2]

G
Still I get hard pressed on every side

Cadd9

Between the rock and a compromise

Em7

D

Like the truth and pack of lies fightin for my soul

G

And Ive got no place left go

Cadd9

Cause I got changed by what Ive been shown

Em7

More glory than the world has known

D

Keeps me ramblin on

G

Skipping like a calf loosed from its stall

Cadd9

Im free to love once and for all

Em7

D

And even when I fall Ill get back up

G

For the joy that overflows my cup

Cadd9

Heaven filled me with more than enough

Em7

Broke down my levee and my bluff

D

Let the flood wash me

G

And one day when the sky rolls back on us

Cadd9

Some rejoice and the others fuss

Em7

D

Cause every knee must bow and tongue confess

That the son of god is forever blessed

G

Cadd9

His is the kingdom, were the guests

Em7

So put your voice up to the test

D

Sing Lord, come soon

[Chorus]

G **Cadd9** **Em7** **D**

Farther along well know all about it

G **Cadd9** **Em7** **D**

Farther along well understand why

G **Cadd9** **Em7** **D**

Cheer up my brothers, live in the sunshine

G **Cadd9** **Em7** **D**

Well understand this, all by and by
