

**Restless Ones**  
**Josh Garrels**

I am no expert but there needs to be a tab for this song so I watched him play it and tried my best.

Capo on the 4th EXCEPT for the low E, Standard tuning

The hammering is always done using your middle finger for whichever chord.

Also, I have no idea what all of the lyrics are so these are just my best guess as well.

Intro

Slow Part: **C F C G C G C**

Transition: **G**

Fast Part: **C(X3) F C(X3) F C(X3) F C(X3) G**

**C** **C**  
Restless Ill turn and leave, tomorrows unknown mysteries

**F** **C** **G**  
As Im leaving here, (I end it well?)

**C** **F** **C** **G**  
Wander all our lives til were gone

**C** **C**  
We said theres no time to waste so hand in hand we run this race

**F** **C** **G**  
Lets end it well, escape them fires of hell

**C** **F** **C** **G**  
Wander all our lives til were gone

**C**  
Pick up sticks and pack your bags

**C** **F** **C** **G**  
Lets go where things grow in the hills in summertime

**C** **C** **F** **C** **G**  
Under trees and over streams we walk and we talk all our days into the night

**C** **F** **C** **G**  
Into the unknown we fly

**Em** **Am** **G** **G** **C**  
And our hearts are beating and our feet theyve got a long long way to go

**Em** **Am** **G** **G** **C**  
And our souls want to shine cant you feel it from your head to your toes

**Em** **Am** **G** **G** **C**  
And our hearts are beating and our feet theyve got a long long way to go

**Em** **Am** **G** **G** **C**  
And our souls want to shine cant you feel it from your head to your toes

**C** **C**  
Touching down were breaking through to a land that seems brand new  
**F** **C** **G**  
For you and me and the God makes three  
**C** **F** **C** **G**  
Lost and now were found again

**C** **C**  
This place playing its tricks on me help me down from a strangers tree  
**F** **C** **G**  
Theres beauty here and I miss it there  
**C** **F** **C** **G**  
Trace my path in wind and snow

**C** **C**  
Thunderstruck I got a place in mind all our time  
**F** **C** **G**  
In the world is gonna pass

I grab your hand weve got some plans  
**C** **F** **C** **G**  
To no open roads were together at long last  
**C** **F** **C** **G**  
Wander all our lives til were gone

**Em** **Am** **G** **G** **C**  
And our hearts are beating and our feet theyve got a long long way to go  
**Em** **Am** **G** **G** **C**  
And our souls want to shine cant you feel it from your head to your toes  
**Em** **Am** **G** **G** **C**  
And our hearts are beating and our feet theyve got a long long way to go  
**Em** **Am** **G** **G** **C**  
And our souls want to shine cant you feel it from your head to your toes

**G** **C**  
And I thank the Lord for everything hes done  
**G** **C**  
And I thank my Father for sending us his son  
**G** **C**  
And I thank the Spirit for helping us be one  
**G** **C**  
Helping us be one out there on the run

**G** **C**  
And I thank the Lord for everything hes done  
**G** **C**  
And I thank my Father for sending us his son  
**G** **C**  
And I thank the Spirit for helping us be one  
**G** **C**  
Helping us be one out there on the run
