White Owl

Josh Garrels

Intro: **C Em** (2x)

Verse 1:

C **Em**
When the night comes, and you don't know which way to go
C **Em**
Through the shadowlands, and forgotten paths you will find a road
C
Like an owl you must fly by moonlight with an open eye
Em **C**
And use your instinct as a guide, to navigate the way that lays before you
Em
You were born to, take the greatest flight

C
Like a serpent and a dove you will have wisdom born of love
Em **C**
To carry visions from above, into the places no man dares to follow
Em
Every hollow in the dark of night
C
Waiting for the light
Em
Take the flame tonight

Chorus:

C#m B **A**
Child the time, has come for you to go
C#m B **A**
You will never be alone
C#m B **A**
Every dream that you have been shown
C#m B **A**
Will be like living stone
C B **C**
Building you into a home

A shelter from the storm

Instrumental: **C Em** (2x)

Verse 2:

C
Like a messenger of peace, the beauty waits to be released

Em **C**
Upon the sacred path you keep, leading deeper into the unveiling

Em
As your sailing, across the great divide

C
Like a wolf at midnight howls, you use your voice in darkest hours

Em **C**
To break the silence and the power, holding back the others from their glory

Em
Every story will be written soon

C
The blood is on the moon

Em
Morning will come soon

Chorus:

C#m B A
Child the time, has come for you to go

C#m B A
You will never be alone

C#m B A
Every dream that you have been shown

C#m B A
Will be like living stone

C B C
Building you into a home

A shelter from the storm

The plucking pattern is super simple, it s just the chords, mess with the simple
chords plucking from the low E to the high E and you ll get it.
