

Tonight With You
Josh Golden

I figured this out by ear. So idk if its 100% correct. I just thought I d see if
it sounded right..
-Logan

Em
Well everything could change tonight
G
We could pack up, and leave this whole town behind
Em
There is no turning back
G
Tonight is all we have, yeah

(Strum kinda fast)

Em
These days go by so quickly
C **G**
Feels like I m losing my mind
D
And we are running out of time

Em
These days never felt so lonely
C **G**
I try but no one knows me
D
They all just think I m crazy

(Slow it down)

Em **C**
Well everything could change tonight
G **D**
We could pack up, and leave this whole town behind
Em **C** **G**
You are the key to my only way out
D
There s nothing more I care about
Em **C**
And nothings gonna change my mind
G **D**
I ll feel this way as long as I m alive
Em **C**
There is no turning back
G

Tonight is all we have

D

So lets make this last

(Fast again)

Em

Don t bother saying goodbye

C

They don t need to know why

G

Cause we are running out of time

D

(we re running out of time)

Em

C

I need you and no one else

G

Boy I don t want you to go

D

I want you all to myself

(Slow it down)

Em

C

Well everything could change tonight

G

D

We could pack up, and leave this whole town behind

Em

C

G

You are the key to my only way out

D

There s nothing more I care about

Em

C

And nothings gonna change my mind

G

D

I ll feel this way as long as I m alive

Em

C

There is no turning back

G

Tonight is all we have

D

So lets make this last

Em

C

If I d have known,

G

D

then i would trade everything just to be by your side

Em

You should know,

C

G

D

that i would lose anything just be with you tonight

Em

C

Well everything could change tonight

G

D

We could pack up, and leave this whole town behind

Em

C

G

You are the key to my only way out

D

There s nothing more I care about

Em

C

And nothings gonna change my mind

G

D

I ll feel this way as long as I m alive

Em

C

There is no turning back

G

Tonight is all we have

D

So lets make this last
