ENJOY!!

INTRO G# D# Fm D# C# D# G#- D#and start

G# D# Fm  
A beautiful and blinding morning  
D# C# D# G# D#  
The world outside begins to breathe  
G# D# Fm  
See clouds arriving without warning  
D# C# D# G#  
I need you here to shelter me

C# D# Fm C#  
And I know that only time will tell us how  
D# C# D#  
To carry on without each other  
G# Fm  
So keep me awake to memorize you  
D# G# D#  
Give me more time to feel this way  
C# Fm C#  
We can t stay like this forever  
D# G# Fm C# D# ..(G#bridge)  
But I can have you next to me today

BRIDGE1 G# D# Fm D# C# D# G#-Fm D#and start

G# D# Fm  
If I could make these moments endless  
D# C# D# G# D#  
If I could stop the winds of change  
G# D# Fm  
If we just keep our eyes wide open  
D# C# D# G#  
Then everything would stay the same

C# D# Fm C#  
And I know that only time will tell us how  
D# C# D#  
To carry on without each other  
G# Fm  
So keep me awake for every moment

D#                    G#                    D#  
Give us more time to be this way  
                  C#                    Fm                    C#  
We can't stay like this forever  
D#                    G#                    Fm                    C# D# G#..  
But I can have you next to me today

G#   Fm   G#           Emb           C#                    C#                    Fm                    D#  
..We'll let tomorrow wait, you're here, right now with me  
C#           Fm   G#                    Emb           C#                    C#                    Fm                    D#.....  
All my fears just fall away when you are all I see

...Fm   G# - Fm G#   D#

                  C#                    Fm                    C#  
We can't stay like this forever  
D#                    G#                    Fm                    D#  
But I have you here today

Fm/D#/G# C#

C#                    Fm                    D#/G#  
And I will remember  
C#                    Fm                    D#/G# C#  
Oh I will remember

Fm/D#/G# C#

Fm/D#/G# C#

Fm/D#/G#..

... C#                    D#                    G#..  
Remember all the love we shared today
