Believe
Josh Groban

I did this by ear, so it might not all be correct but I played it with the track

and it sounds right!

But if you hate barre chords as much as me you can put a capo on 2nd and get rid

of barring **F#m** and **B**, and change the chords to;

E - **D**
F#m - **Em**
G#m - **F#m**
A - **G**
B - **A**
D - **C**
Eb - **C#**

This is a beautiful song I hope you enjoy playing it!

[Intro] **E G#m E G#m**

[Verse 1]
```
   E        G#m      E                  G#m
Children sleeping, snow is softly falling
F#m           Eb   F#m                A    B
 Dreams are calling like bells in the distance
  E        G#m      E        G#m
 We were dreamers not so long ago
F#m           Eb   F#m        A    B
 But one by one we all had to grow up
G#m                             A
 When it seems the magic s slipped away
     D                          B
 We find it all again on Christmas day
```

[Chorus]
```
 E                        F#m
Believe in what your heart is saying
   E            A
 Hear the melody that s playing
  E               B
 There s no time to waste
    F#m             A    B
 There s so much to celebrate
  E                      F#m
 Believe in what you feel inside
 E                         G#m      C#m
And give your dreams the wings to fly
```

```

 You have everything you need
   (N.C.)
 If you just believe

[Verse 2]
  E          G#m       E                 G#m
Trains move quickly to their journey s end
  F#m       Eb  F#m         A       B
 Destinations are where we begin again
  E          G#m       E              G#m
 Ships go sailing far across the sea
  F#m            Eb    F#m          A            B
 Trusting starlight to get where they need to be
  G#m                              A
 When it seems that we have lost our way
   D                              B
 We find ourselves again on Christmas day

[Chorus]
  E                        F#m
Believe in what your heart is saying
   E           A
 Hear the melody that s playing
   E                    B
 There s no time to waste
    F#m                  A       B
 There s so much to celebrate
   E                     F#m
 Believe in what you feel inside
  E                          G#m        C#m
And give your dreams the wings to fly
   F#m                          B
 You have everything you need
  A           E     F#m
If you just believe
 E                      F#m
If you just believe
 E                       F#m
If you just believe
 E                     F#m
If you just believe
 A           E
Just believe
