Believe
Josh Groban

I did this by ear, so it might not all be correct but I played it with the track

and it sounds right!

But if you hate barre chords as much as me you can put a capo on 2nd and get rid

of barring **G#m** and **C#**, and change the chords to;

F# - **E**
G#m - **F#m**
Bbm - **G#m**
B - **A**
C# - **B**
E - **D**
F - **Eb**

This is a beautiful song I hope you enjoy playing it!

Children sleeping, snow is softly falling

 When it seems that we have lost our way
   E                              C#
 We find ourselves again on Christmas day

 Believe in what you feel inside
  F#                      Bbm        Ebm
And give your dreams the wings to fly
   G#m                          C#
 You have everything you need
  B            F#      G#m
If you just believe
F#                       G#m
If you just believe
F#                       G#m

If you just believe

Just believe
