Believe
Josh Groban

I did this by ear, so it might not all be correct but I played it with the track

and it sounds right!

But if you hate barre chords as much as me you can put a capo on 2nd and get rid

of barring **Am** and **D**, and change the chords to;

G - **F**
Am - **Gm**
Bm - **Am**
C - **Bb**
D - **C**
F - **Eb**
F# - **E**

This is a beautiful song I hope you enjoy playing it!

[Intro] **G Bm G Bm**

[Verse 1]
```
  G         Bm        G              Bm
Children sleeping, snow is softly falling

 Dreams are calling like bells in the distance
 G        Bm        G         Bm
 We were dreamers not so long ago
Am          F#    Am          C        D
 But one by one we all had to grow up
Bm                           C
 When it seems the magic s slipped away
     F                         D

 There s no time to waste
    Am              C      D
 There s so much to celebrate

Trains move quickly to their journey s end

 Destinations are where we begin again

 Ships go sailing far across the sea

 Trusting starlight to get where they need to be

 When it seems that we have lost our way
  F                              D
 We find ourselves again on Christmas day

 There s no time to waste
    Am              C      D
 There s so much to celebrate
  G                    Am
 Believe in what you feel inside
 G                      Bm       Em
And give your dreams the wings to fly
  Am                       D
 You have everything you need
  C          G      Am
If you just believe
G                  Am
If you just believe
G                  Am
If you just believe
G                    Am
If you just believe
C            G
Just believe
