

**Believe**

**Josh Groban**

I did this by ear, so it might not all be correct but I played it with the track and it sounds right!

But if you hate barre chords as much as me you can put a capo on 2nd and get rid of barring **Bbm** and **Eb**, and change the chords to:

- G# - F#**
- Bbm - G#m**
- Cm - Bbm**
- C# - B**
- Eb - C#**
- F# - E**
- G - F**

This is a beautiful song I hope you enjoy playing it!
