

**In Her Eyes**  
**Josh Groban**

[Intro] **Fm G#m7 Bbm7 C#**

**Fm G#m7**  
She stares through my shadow  
**Bbm7 C#**  
She sees something more  
**Fm G#m7 Bbm7**  
Believes there s a light in me  
**C#9 C#**  
She is sure

**Bbm7 Fm**  
And her truth makes me stronger  
**Cm F#**  
Does she realize  
**Ebm Bbm7**  
I awake every morning  
**Fm Ebm Ebm7**  
With her strength by my side

**C# (G#) Bbm7**  
I am not a hero  
**(G#) F#**  
I am not an angel  
**Eb C#**  
I am just a man  
**(G#) Bbm7**  
A man who s trying to love her  
**(G#) F#**  
Unlike any other  
**G# Bbm7**  
In her eyes, I am

**Fm G#m7 Bbm7**  
This world keeps on spinning  
**C#**  
Only she stills my heart  
**Fm G#m7 Bbm7**  
She s my inspiration  
**C#9 C#**  
She s my northern star

**Bbm7 Fm**  
I don t count my possessions  
**Cm F#**  
But all I call mine  
**Ebm Bbm7**

I will give her completely
