

**To Where You Are**  
**Josh Groban**

The first version was pretty much right, but it was missing the change from the verse to the chorus. I've tabbed out two versions- the first one is transposed up

one tone, and the chords are easier to play. In case you want the original key, it's also there below. Since the original song is played on piano, it sounds slightly different with these chords on guitar. Enjoy!

TRANSPPOSED **Bb->C**

[Verse 1]

**C**

Who can say for certain,

**Am**

Maybe you're still here

**F**

I feel you all around me,

**C**

**G**

Your memories so clear

**C**

Deep in the stillness,

**Am**

I can hear you speak

**F**

**G**

You're still my inspiration, can it be

**Am**

**F**

That you are mine, forever love

**Dm**

**G**

And you're watching over me from up above

[Chorus]

**D**

**Bm**

**G**

Fly.. me up to where you are beyond the distant star

**Em**

**G**

**F#m**

I wish upon tonight to see you smile

**Bm**

**G**

If only for a while to know you're there

**Em**

**G**

**D**

A breath away's not far to where you are

[Verse 2]

**C**

**Am**

Are you gently sleeping, here inside my dream

**F**

**Dm**

**G**

And isn't faith believing, all powers can't be seen

**C**

**Am**

As my heart holds you, just one beat away

**F**

**G**

I cherish all you gave me everyday

**Am F**  
Cause you are mine, forever love

**Dm F G**  
Watching me from up above

**Am F**  
And I believe, that angels breathe

**Dm F G**  
And that love will live on and never leave

[Chorus]

**D Bm G**  
Fly.. me up to where you are beyond the distant star

**Em G F#m**  
I wish upon tonight to see you smile

**Bm G**  
If only for a while to know you re there

**Em G D**  
A breath away s not far to where you are

**Bm**  
I know your there

**G Em**  
A breath away s not far

**D**  
To where you are
