Aint Letting Go
Josh Kelley

intro:(**C G F G**) 2x

```
Am                          G
Well I know you re probably out
C
You re probably movin   on
                  F
 Cause a girl like you with a heart
          G
that true just shouldn t be alone
Am                          G
I m just right down the street
            C
At our old familiar spot
F
Yeah  I probably had too many
            G
beers and one too many shots
    F                   D              G
But that don t mean that I don t mean these words
```

```
 C
Oh I can t seem to get you off my mind
G
It don t matter how hard I try
F
Always end up here
Dm                  G
Baby can t you hear my tears
    C
Pouring through this pay phone line
G
Just too hard to say goodbye
F
I thought that you should know
   Dm                         C         G
I still love you and I ain t letting go
```

```
             F         G
I can t let you go
Am                          G
Well, I know I ve made mistakes
   C
I know I ve hurt you bad
     F
```

I gave you reasons to stop believing
        G
in what we used to have
 Am   G
And if you can t forgive me
      C
I guess I ll understand
                 F
But I know I won t give up hope
              G
that you ll be in these arms again
     F   D   G
Oh, can t you tell this hell I m going through

        C
Oh I can t seem to get you off my mind
    G
It don t matter how hard I try
F
Always end up here
    Dm   G
Baby can t you hear my tears

         C
Pouring through this pay phone line
   G
Just too hard to say goodbye
     F
I thought that you should know
   Dm   G
I still love you and I ain t letting go

Dm   G
The bartender just screamed last call
C   Am
So I guess I ll be heading home
Dm   G
But before I have up this phone

C
Oh I can t seem to get you off my mind
G
It don t matter how hard I try
     F
Always end up here
Dm   G
Baby can t you hear my tears
C
Pouring through this pay phone line
    G
Just too hard to say goodbye
       F
I thought that you should know

```
     Dm                            G
I still love you and I ain t letting go
C             G
I miss you bad
                F
I miss you bad
          Dm            G                    C
You re still the best damn thing I ever had
                   G
And I wan t you back
                 F
Please come back

   Dm
I still love you
 G            C            G
And I ain t letting go
           F        Dm      G
I can t let you go
                      C            G
And I ain t letting go
                  F
I can t let you go
    Dm
I still love you
       G                    C
And I ain t letting go
```
