Verse 1

Because you got a lot to tell me
But you don t think you can say it better
Your bringing up times I can t recall
And I m sure they make your point but
I just can t seem to remember

I know you got the feeling and I can t say I m agreeing With your topic of conversation

Just listen to the reasons and the hints I ve been giving To the thoughts of my imagination

So come on let me see

I said baby your amazing
I want to let you see
You are everything and more to me
I will let you be I will I will

I saw you walking down the hall

And I had a lot to tell you but I didn t think you could say it better

Your good at making me feel so small

And I know you made your point but I just want to remember

I know you got the feeling and I can t say I m agreeing With your topic of conversation

Just listen to the reasons and the hints vie been giving To the thoughts of my imagination
