

**Gone Like That**  
**Josh Kelley**

(G-D-Am-C)

Why d she have to look so (G) beautiful?  
(C) Why d she have to pick this (G) place?  
(C) I hope she brought an (G) explanation  
(C) I hope she (D) doesn t look my (G) way  
  
(C) Cause it would be hard to say (G) hello to her  
(C) When she never said goodbye (Em)  
(C) It would take every bit of (G) strength I ve (Em) gained  
To not get (C) lost in those (G) eyes

(Chorus)

Oh but (G) I can t take another gone like (D) that  
Can t take another hurt so (Am) bad that  
I can t breathe, (C) I can t sleep, don t wanna eat  
And (G) I won t take another where d she (D) go again  
Take another all (Am) alone  
(G/B) Man I want her (C) back, but I can t (D) take another  
Gone (G) like that (D)

I can t take another gone (Am) like that, no (C)  
She came up on me like a (G) flood  
(C) Wiped out everything I (Em) knew  
(C) Now I m just barely treading (G) water  
Last thing I (C) need to do  
Is (Em) reach for (C) you

Chorus

Now she s (D) walking my (C) direction  
I might be (D) lonely  
And this is (C) tempting

Oh now (G) I can t take another gone like (D) that  
Take another hurt so (Am) bad  
(G/B) I can t breathe, (C) I can t sleep, can t (D) even eat  
No (G) I won t take another where d she (D) go again  
Take another all (Am) alone  
(G/B) Man I want her (C) back, but I can t take another gone  
(Am) Yes some (G/B) times I want her (C) back  
But I can t (D) take another gone (G) like that (D)  
Can t take another gone (Am) like that (C)  
I can t take another gone (G-D-Am-G/B-C-D-G)
