Lyrics:

Verse 1

Tell me I didn t miss anything  
Travelin around in your head

You know my legs are tired  
Of runnin the maze you ve planned

Chorus

So, just lie to me baby  
Tell me maybe  
All the while  
You never made me smile  
So, just lie to me baby  
My mind is hazy  
Now you re gone

I m havin so much fun  
Yeah, yeah, yeah....

Verse 2

You tell me that you re bothered  
with the lies that you ve been fed  
Cause oh lord one more broken promise  
To the search of a new band

Bridge

But the feeling seems so mutual  
Its the fabric of our lives  
Timing so unusual  
it makes us wanna fight  
Take your games elsewhere honey  
I m not feeling right  
maybe you d be better off if you just try  
just try, just try...

Chorus

So, just lie to me baby  
Tell me maybe  
All the while  
You never made me smile  
So, just lie to me baby  
My mind is hazy  
Now you re gone  
I m havin so much fun  
Yeah, yeah, yeah....
