

Glory

Josh Pantana

[Intro]

C C F C

[Verse 1]

C Em
Hallelujah doesn't mean that much to me
F C Dm
The things I'd tell ya would shock the least of these
C Em
King of sinners, I've been crowned... maybe that proves
F C
I'm at the bottom... with nothing left to lose

[Verse 2]

C Em
I've heard your story... how you died there on a tree
F C Dm
I gotta tell you... I'm not sure that I believe
C Em
Still I've come, and I'm here just as I am
F C
I hope you'll take me, a broken-hearted man

[Chorus]

F C
If you are not a stranger to sorrow
Am G C
If you can understand all my pain
F C F
Then give me strength for today, for tomorrow
C F C
And eyes to see the glory of the coming of the Lord
Am F G C
Eyes to see the glory of the coming of the Lord

[Verse 3]

C Em
Forgiveness... now that means something for sure
F C Dm
When most my life, I've been trying to even up the score
C Em
A hurtler, bridge burner, just looking for a war
F G C
But a man who's been forgiven doesn't need that anymore

[Chorus]

F C

If you are not a stranger to sorrow

Am **G C**

If you can understand all my pain

F **C F**

Then give me strength for today, for tomorrow

C **F C**

And eyes to see the glory of the coming of the Lord

Am **F G C**

Eyes to see the glory of the coming of the Lord

[Bridge]

C **F C**

Glory glory hallelujah

C **G C**

Glory glory hallelujah

C **F C**

Give me eyes to see the glory of the coming of the Lord

[Chorus]
