Endless Summer

Capo 2

This the cover version of the Jezabels song.

G **Em** **D/F#** **G** **Em** **D/F#**
And in the morning Ill be waiting, for your never ending wave
G **Em** **D/F#** **C** **Em** **D/F#**
For our passage to arise oh how can I explain
C **G** **D** **C**
And you came home for the endless summer
G D **C**
On the way I saw a different colour
G D **C**
And In the streets I got a secret to repeat
G D **C**
In my mind youre the ephemeral night
G **Em** **D/F#** **G** **Em** **D/F#**
Now to ever be touched by the feasting tendrils of light
G **Em** **D/F#** **C** **Em** **D/F#**
My love upon your devotions i love imagining your touch
C **G** **D** **C**
And You came home for the endless summer
G D **C**
Watch me go and be the famous warrior
G D **C**
Of the light you were the strongest follower
G D **C**
In my mind you are an endless summer
C **G** **D** **Em** **C**
You are the summer in my mind
Em **D** **G** **Am**
And yeah I get low black witches hold my hand

Em **D** **G** **Am**
And yeah I get low feel no ones understands
Em **D** **G** **Am**
Love mistakes make metal pieces bend
Em **D** **G** **Am**
Now that summer that simmers to the end
C **G** **D** **C**
And you came home for the endless summer
G D **C**
And watch me go and paint a different colour
G D **C**
And all my life you were the deepest lover
G D **C** **Em**
And stay with me here in the endless summer

C	G	D	Em
Here in the summer in my mind			
C	G	D	Em
Here in the summer in my mind			
C	G	D	
Here in the summer in my mind
