Combination sang the wires  
**F#m**  
Cut her in the middle  
**A D**  
See you when I get home  
**F#m**  
Standing on the rails  
**A D**  
Storming against you  
**E**  
Standing by the car before the words already let go

[Chorus]

**D A E D**  
Before I lay you down in a momentary glow  
**F#m Bm E**  
Suddenly you go and I m not beyond her doubt  
**F#m A D**  
So we lay for ghosts and we re breaking into dawn light  
**F#m Bm**  
I won t rub my eyes

**D A E**  
Ooo Ooh Oh  
**D A E**  
Ooo Ooh Oh  
**D E F#m**

[Verse 2]

**D F#m**  
Show him the balance  
**A D**  
The train to count alone  
  
Going off the rails  
**F#m A D**  
Switch onto tracks I don t know  
**F#m**

Stand before us

**A** **D**  
Pounding at your door

**E**  
And we fall as we lie we all know

[Chorus]

**D** **A** **E** **D**  
Soon I lay you down in a momentary glow  
**F#m** **Bm** **E**  
Suddenly you go and I m not beyond her doubt  
**F#m** **A** **D**  
So we lay for ghosts and I m breaking into dawn light  
**F#m** **Bm** **A**  
I won t rub my eyes

[Bridge]

**E** **F#m** **D**  
Would you let a wood slinger let you go  
**E** **F#m** **D**  
Following the lay of a land unknown  
**E** **F#m** **D**  
Shiver in the car when your dead things go  
**E** **Bm**  
Cause you would never say I m a life foregone

[Chorus]

**D** **A** **E** **D**  
So I lay her down in a momentary glow  
**F#m** **Bm** **E**  
And suddenly she flies cause I m so beyond her doubt  
**F#m** **A** **D**  
She will leave in awe when a glow beings to go  
**F#m** **A** **E** **F#m**  
She will lay for ghosts in that momentary glow  
**D** **E** **F#m**  
Too late to go  
**D** **E** **F#m**  
Too late to fly  
**D** **E** **F#m** **Bm**  
Too late to fly

[Outro]

**D** **F#m** **A** **D**  
So would you let a wood slinger let you go  
**F#m** **A** **D**  
Following the lay of a land unknown  
**F#m** **A** **D**  
Shiver in the car when your dead things go  
**F#m** **A** **D**  
Cause you would never say I m a life foregone
