Dm C F A#

A# F C A#
calling from the warm shore to carry me home, i hear you
Dm F C A#
calling from the warm shore to carry me home

Dm C F A#
and the wheels keep taking me back to street
Dm C F A#
where i would press you against the bonet just to feel your heat, where i

cold wind blows, hard on me

calling from the warm shore to carry me home, i hear you
